Help

L'applicazione **aPuzzle** è stata creata per fornire all'utente un passatempo veloce e divertente. **aPuzzle** è un gioco in cui bisogna trascinare le tessere di un puzzle per ricomporre l'immagine originale.

Iniziamo descrivendo le funzionalità di ogni singolo bottone presente nel **menu principale** :

- * **PLAY**
fornisce all'utente la possibilità di fare il puzzle di un'immagine presa dalla gallery oppure dalla camera.
- * **ARCADE**
vengono proposti all'utente 3 livelli con immagini di default
iniziare la partita, una volta conclusa la partita l'utente potrà registrare il suo
